Lions will battle Kinsmen in "grudge" softball game

White Rock Lion Club will meet White Rock Kinsmen in a "grudge" softball game at Sealmahood Ball Park at 7 o'clock Friday night. Kinsmen recently were overheard uttering uncompromising remarks about the Lions' "grudge," rather than "grudge" and Lions are out to save their honor.

Betting is running high on the game and it is reported that Jack Curie has bet Guy Graham \$500 to two passes to the Palladium that the Lions will win.

Fred Brooks taxi service is expected to be operating for the benefit of Hilltop residents wishing to go to the game. There will be a half-time debate between Rain-maker Offer and Toothpick McPherson (the lumber king) on the subject of White Rock Roads.

Reeve Charles Schmitz is scheduled to be operating the assembly on the opening of the disposal unit. Taking care of ablutions will be nurse Ralph Hood. Bill Walker will be on hand to repair any damage done by the nursing staff.

White Rock Sarcophagi will present bouquets to the presidents of the two clubs.

"The Kinsmen will win," says Mrs. Alice Davy. "It's a cliché, my Harry is playing for the Kinsmen." Lions Club is retaining Bruce Fraser as coach in the return.

SUNNYSIDE NEWS

Resident celebrates 90th birthday

Mrs. Cecilia Whitford celebrated her 90th birthday at the home of her grandson, Peter W. McElride, helping her to celebrate the occasion were her sons and daughter, Dan and Jim Williamson and Mrs. C. McElride, all of Burnaby, two other grandchildren, Joseph Whitford and family, Peter W. McElride and family. Other grand-children and their families living in Vancouver were unable to attend.

Mrs. Pearl Lamont and her sister, Mrs. A. M. Hatafot of Winnipeg, Mrs. Bill Pennell of Moose Jaw and Vaughan Kennedy of Vancouver were recent guests at the Stuart home on the Johnston Road.

Library day for Sunnyside community will be Thursday, August 24.

Mrs. and Mrs. Alfred Reynar of Foremost, Alberta, spent several days at Sunnyside Auto Court, the guests of their niece and her husband, Mr. and Mrs. R. P. Shanforth.

Mr. and Mrs. Sam Anderson and their son Gordon are leaving for Shavonau, Sask., on Thursday.

Mr. R. Bothe and his two daughters, Beale and Agnes, have returned from a trip to Sask. and Alberta. Mrs. Beale and her daughter, Ida, who accompanied them, have also returned home.

The Misses Eleanor Murray and Alana Davidson attended the Kelowna Regatta and also spent a few days in Vernon.

Mr. and Mrs. Andrew Boland have returned to their home in Regina, Sask., after having spent the past month at the Sunnyside Auto Court.

Mrs. M. Geros of Sunnyside Road is visiting her daughter, Mrs. M. Leonard, of Edmonton, for a month.

Mrs. Allen Bates, formerly of Sunnyside, visited friends here on her return from the Calgary Stampede before returning to her present home at Savona, where Mr. Allen Bates is employed.

Mr. and Mrs. Albert Friend and children have left their home on the King George Highway to take up residence at Savona, B.C.

During their stay at Kamloops, Mr. and Mrs. Frank Dent visited with Mr. and Mrs. George Nelson and family. Mrs. Nelson is the former May Sheppard, daughter of Mr. and Mrs. P. Sheppard, Brown Road.

Mr. and Mrs. A. E. Morris and family have returned home after spending their holidays at 150 Mile House with Mrs. Morris's sister and brother-in-law, Mr. and Mrs. W. E. McLellan.

At Ocean Park

Many local families away on vacation

Mrs. A. R. Erickson, of Marvin, Saskatchewan, was the surprise guest of Mr. and Mrs. Oscar Finstrom, Sylvan Avenue, Ocean Park.

Rev. Ralph Hardy, B.A., of St. George United Church, will occupy the pulpit at Crescent United Church on Sunday, August 20.

Mr. David Welch, the very congenial Province coroner, and family, are on a trip to the Interior, expecting to play Indian for two weeks.

Mrs. T. G. Barlow, widow of the late Rev. T. G. Barlow, formerly of Stevenson Road, Ocean Park, is ill in Columbian Hospital, New Westminster.

Rev. J. H. Ward of Toronto, and his mother, with Mr. and Mrs. J. H. Reynard of New Westminster, and Mrs. Robertson, were the noon dinner guests of Mr. and Mrs. W. E. Pinchin, Stevenson Road, on Sunday, August 13.

Mr. and Mrs. Bill Gable of Vancouver are new residents to the district. They have taken up residence next to Mr. and Mrs. Val Gable on the Sunnyside Road.

Mrs. C. Whitford and Mrs. C. McElride of Burnaby are the guests of Mr. and Mrs. P. W. McElride for a few weeks.

Mr. Stan Labareth of Blaine Road is spending some time in Victoria with Mr. Fred Shuster.

Sunnyside Church celebrates anniversary

Sunnyside United Church "First Birthday" party was held on Monday, August 14. The twentieth anniversary of the United Church in Canada was also commemorated. Entertainment was provided by the White Rock Old Age Pensioners with music by their orchestra.

Kathleen Locke, the blind accordionist, played a program of varied selections.

Mr. W. E. Pinchin was the guest speaker. A jubilee birthday cake had candles for both the local Church birthday and the United Church Anniversary.

Mr. W. F. Finlay will take the service at the Sunnyside United Church next Sunday.

Bureau of Statistics starts local survey Monday

White Rock and its immediate surrounding area will be included for the first time in the next regular sample survey of the Canadian population taken by the Dominion Bureau of Statistics, starting on Monday, August 21.

The survey is designed to obtain current estimates of employment, unemployment and other key figures information and is one of a quarterly series initiated in 1945, just after the close of the war.

Approximately 20,000 households in over 100 selected cities and sample areas distributed throughout the 10 provinces are covered in each survey, which is based on tested scientific sampling methods. Slightly over 500 households will be covered in the White Rock sample area in the coming survey which will be carried out by official enumerators of the Dominion Bureau of Statistics.

All enumerators will carry official credentials and information given them relating to individuals will be held strictly confidential and will be used only for the compilation of large totals and averages.

RANDOM SAMPLE

Designation of the households to be interviewed is made entirely by random means, the enumerators in any area exercising no personal choice in their selection. In order to improve the reliability of estimates of changes from quarter to quarter, the same households are interviewed several times at successive quarterly intervals. Households thus covered are also systematically replaced to spread the coverage in the sample area, and the sample areas are likewise periodically changed.

Comprehensive information on employment conditions, such as these quarterly surveys are designed to provide, is not only essential to governments in reaching decisions on the conduct of public business and the framing of policies, but also highly useful to private business and industry and to farm and labour organizations in the shaping of plans and programs.

Hotel manager to be transferred

Ocean Beach Hotel will have a new manager next week with the transfer of Mr. and Mrs. I. Woods to Harrison Hot Springs Hotel.

Mr. Woods, one of the youngest hotel managers on the coast, came from Harrison in March of this year. He leaves tomorrow to assume his new position.

Name of his replacement has not been announced.

AT CRESCENT

Improved postal service possible

The latest word on the postal position is from Bill Mott, M.P., who states that a report has now been made to Ottawa by the district Post Office Inspector, suggesting that Crescent Beach mail be taken from Vancouver at 12 midnight to White Rock, then brought over from there first thing in the morning, either by bus or rural route carrier. This may result in Crescent having the postal service they have ever enjoyed.

The Bishop's evening, held last Saturday at the First Unitarian Church, was reported to have been enjoyed by all those who attended. Under the auspices of the Ladies' Auxiliary to the First Department, the object was to raise funds for more equipment.

Rev. Canon M. Holdum and Mrs. Holdum are visiting their daughter in North Vancouver, while Mr. and Mrs. Bob Neal and their three children enjoy the lovely garden and home of the Holdums.

Mrs. Dolly Wade, wife of Ted Wade, the local building contractor, has just returned from an enjoyable holiday on Vancouver Island. Mrs. Wade took three of her children with her and reports a good time. Ted, who is presently building Dr. T. R. Blades new home at White Rock, is the brother of Lee Wade who is now in Prince George with his family.

A lady who is very well known and respected in this district, Mrs. Mabel Stevenson, gave a farewell party at her delightful home at Elgin, for Mr. and Mrs. Alan Johnson. After many years residence on Mad Bay Road, Elgin, they are leaving the district.

Sid and Dorothy Coppard are planning to open a store at the corner of Ocean Park Road and Crescent Drive. Mrs. Coppard is already well-known as a good pastry cook and pie maker, with which she is commencing the store at present. Gradually she hopes to introduce a line of general groceries, etc. Sid is a popular carpenter in the community.

Garner's Studio.

BIG SMILE for photographer marks victory of Violet Cooper, Crescent, captured the White Rock for the first time in the year's freebie young women and her 17 at the Inter-Beach Swimming Gala in White Rock last Saturday. Present won girls by 141 points to White Rock's 26. (Detailed results appear on page 4.)

H. R. PINCHIN, B.Com., Managing-Editor

The Semiahmoo Sun is relinquishing its usual editorial space this week to allow the Canadian Railways to present their side of the current national rail dispute. Unfortunately the material below did not arrive until noon Wednesday, and realizing the current importance of the crisis the editors decided to forego their thoughts for one week.

Another regular feature "Seen and Heard from the Boardwalk" by Harvie will also re-appear next week.

**ROCK AGAIN**

The Editor,
Semiahmoo Sun.

Dear Sir:

The suggestion of painting WHITE ROCK white presents a problem of considerable import as to the results.

I speak from slight experience with CRUDE OIL, and have in mind the LLOYDMINSTER, B.C. product where I had the job of locating several wells for COMMUNITY SERVICES OIL CO. This heavy Crude is probably the most persistent stuff to stick once it comes in contact with the road gravels and is there to stay.

The Crude will show through in spite of all the paints covering the surface and thus make a complete

mess and failure of the work thereon.

There are lots of people, men and women, in this town and district who can easily afford to give plenty without any thought whatsoever of repayment to employ a SAND BLASTING machine on this rock. It would thus be in better shape to paint.

I have an idea the already heavy dose of CRUDE has already covered this rock so white paint suggested may be in order later.

A. J. A. BELL.

ROAD NEEDED

The Editor,
Semiahmoo Sun.

Dear Sir:

Pacific Avenue is open from King George to Lee Street without any heavy grade. Why not branch off at Lee Street then enter Pacific again at "B" Street, avoiding sharp corners.

This is necessary for better fire

brigade service, and may save houses, and perhaps a few lives (if that matters). At present fire trucks would have to go as far as Bayly Road, then down to Pacific and west several blocks to a well-settled district.

A good public road, through a well settled part of town is really urgent.

An easy grade would be a boon to pedestrians, especially as there are so many aged people here, but who, having a car, cares for them?

In new town-sites, planning for main roads of easy grades seems to be about the last consideration.

W. J. HARGREDD.

LEGION NOTES

There will be an executive meeting of the Canadian Legion, Branch 8, Tuesday, August 29, at 7.30 p.m.

White Rock Canadian Legion men back home from Shaughnessy Hospital are: Mr. J. Fowler, Mr. W. Anthony and Padre E. Robette.

TO CANADIAN RAILROADERS AND THE CANADIAN PUBLIC

It is important that you understand clearly why the managements of Canada's railways believe a railway strike is absolutely unnecessary.

Our reason for this conviction is that we have made the employees involved in the present dispute a fair offer of wage increases and improvements in working conditions which, if applied to all employees, will cost us \$37,000,000 a year.

We have further acknowledged a moral obligation to implement the 40-hour week at the appropriate time, and we have explained why, in fairness to Canadian industry and all other employers of labour, we cannot put it into effect now.

To do otherwise would be to perform a dis-service to industry in general and to all employers and employees alike.

The railways, after making two previous offers which the union leaders rejected, have now made

a third and final offer which gives the employees the choice of either:

an increase in wages averaging 8½ cents per hour, or

a reduction in the basic work week from 48 to 44 hours, with an increase in wage rates of 9.1% so as to maintain or in some cases improve present "take home" pay.

The labour leaders have made no concessions at all and have refused to budge from their original demands for a 5-day 40-hour week with maintenance of present "take home" pay, and in addition increases of 7 cents and 10 cents an hour.

The railways are thoroughly conscious of, and sympathetic to, the problems of their employees resulting from higher costs of living.

Drastic, unwarranted reductions in hours of work instead of decreasing these problems will inevitably increase them.

Not only is a railway strike unnecessary now, but furthermore, because of the tense international situation, it would endanger the entire Dominion. As the presidents of the Canadian National and Canadian Pacific Railways said in a joint statement to the representatives of the unions last Thursday:

"The present situation... imposes a nerve strain on all concerned at a time when we badly need to devote all our energies and thoughts to the grave threat of war and a national emergency... It leaves the railway employee in a most uncertain and unhappy frame of mind because we are uncertainly certain he does not wish to walk out on his job at a time like this, no matter what issues are involved... this opinion seems diametrically opposed to the

strike ballot which has been reported by the unions, but railway management retains too high an opinion of the loyalty, steadfastness and sense of responsibility of their employees to believe a strike would not mean a heart-breaking situation for them. That is not to say they will not carry out their undertaking to strike if union leaders decide to call upon them to do so but as already stated, it will cause great unhappiness and self-reproach."

The importance of the railways in Canada's economy cannot be exaggerated. Never was that importance more apparent than in World War II. And without the loyalty and intense effort of all railway employees, Canada's magnificent war effort would have been im-

possible. The same holds true today. As the presidents further stated:

"... the general public is inconvenienced and business arrangements are made uncertain so long as the likelihood of a strike persists. Moreover, a railway strike would so cripple our economy that it would weaken for a long time our ability to take a strong line in international affairs and thus give great comfort to the enemy. Therefore, railway management feels strongly that the issues must be faced resolutely so that all interests, the worker, the public and the Government, as well as the unions and railway management, will know precisely what is facing them. The time has come to remove this uncertainty which hangs as a blight over our day-to-day life."

WITH THESE CONSIDERATIONS IN MIND, THE RAILWAYS HAVE MADE THIS OFFER AS THE ULTIMATE THAT COULD POSSIBLY BE EXPECTED OF THEM, AND IT GIVES A SETTLEMENT WHICH WILL LEAVE RAILWAY WORKERS IN AN EXTREMELY FAVOURABLE POSITION COMPARED TO OTHER INDUSTRIAL WORKERS.

HERE IS OUR OFFER

The final offer which excludes hotel and water transport employees is as follows:

- (1) Recognition by railway management of a moral obligation to implement the 40-hour week at the appropriate time.
- (2) Recognition by the unions in principle, subject to negotiation in detail, of minor amendments to existing contracts covering working rules to bring about more efficient operation.
- (3) EITHER
 - (A) A 44-hour basic work week with a 9.1% increase in hourly rates

so as to maintain "take home" pay. In regard to monthly rated clerical employees there will be an understanding that 8-hour actual work week may be granted by local arrangement in selected cases where the hours now actually worked are less than 44, on condition that the requirements of the service are protected up to 44 hours per week.

OR (B) A graduated increase in basic wage rates approximately equivalent in expense to that involving Plan A. When applied to all employees, this would cost the railways \$37,000,000 per year, and would average 8½ cents per hour.

Jack McKay outstanding as local swimmers lose 141-36

White Rock Amateur Swimmers went down to defeat at the hands of the Crescent Beach Club in the Second Inter-Beach Gala held at the White Rock tank Saturday, August 12.

Two trophies, the Semiahmoo Cup and the British Columbian Challenge Cup were won by the Crescent swimmers who bettered the White Rock sailors by an aggregate score of 141 to 36.

The White Rock Water Works Trophy was captured by Violet Cooper, of Crescent Beach, using a fast Australian crawl to win over White Rock's Anne Fennell, in the opening event.

Jack McKay accumulated the biggest individual score for White Rock by winning both the 50 yard breaststroke and the 100 yard freestyle events.

Winners in individual events were: 100 yard freestyle, junior women—1, Violet Cooper (C); 2 Anne Fennell (WR); 3, Jean Wilson (C); 50 yard freestyle, junior men—1, Jack

McKay (WR); 2, Colin Keys (C); 3, David Seed (C); 50 yard backstroke, juvenile girls—1, Valerie McLean (C); 2, Carol Young (C); 3, Ann Norman (BR); 50 yard backstroke, junior men—1, Bill Lawson (BR); 2, Don McElitche (C); 3, Robert Cooper (C); 25 yard freestyle, prep girls—1, Diane Richardson (WR); 2, Jackie Wilson (C); 3, Darlene Dudgeon (BR); 25 yard freestyle, prep boys—1, Malcolm McLean (C); 2, Bill Lynn (C); 3, Ron Stewardson (WR); 50 yard breaststroke, junior women—1, Violet Cooper (C); 2, Jean Wilson (C); 3, Anne Fennell (WR); 50 yard breaststroke, junior men—1, Jack McKay (WR); 2, Colin Keys (C); 3, Bill Young (WR).

Diving, 1 metre, juvenile boys—1, Danny Tindley (C); 2, Dave McDonald (C); 3, Jerry Brown (WR); Diving, 1 metre, junior women—1, Anne Fennell (WR); 2, Margaret Mary Leeson (C); 3, Myrna Dolg (WR); 50 yard individual medley, juvenile girls—1, Valerie McLean (C); 2, Wendy Brown (C); 3, Heather Ferguson (C); 75 yard individual medley, juvenile boys—1, Donald McElitche (C); 2, Robert Cooper (C); 3, Danny Tindley (C); 50 yard backstroke, senior women—1, Flora Duncan (C); 2, Ann Pentland (C); 3, June Nelson (C); 50 yard backstroke, senior men—1, Russ Walker (C); 2, Jack Campbell (WR); 3, Ken Rosenberg (C); 25 yard breaststroke, prep girls—1, Jackie Wilson (C); 2, Gretchen Brown (C); 3, Paddy Strude (WR); 25 yard breaststroke, prep boys—1, Malcolm McLean (C); 2, Ron Stewardson (WR); 3, Murray Boyce (WR).

P.N.E. STUDIO

During the Pacific National Exhibition CKRW will broadcast direct from the new modern CKRW studio now being built at the P.N.E. The studio will be located between the Forum and Garden building on the main road leading into the Exhibition.

This new ultra-modern studio will have slanting glass walls on three sides so that visitors may watch all operations of broadcasting at close range, for as long as they like. A loud-speaker will broadcast the programs for spectators.

All the CKRW announcers will be on duty at the P.N.E. Studio—and the "Rhythm Pals," Mike, Mary and Jack, will be on hand, after a two months' tour with Wiff Carter in other parts of Canada.

ABOUT BIRDS

Bird watching can be a more rewarding pastime if the observer combines the patience and care of the scientist with the sensitivity of the artist. So says Dr. R. W. Saunders, professor of history at the University of Toronto and a recognized authority on birds. In a talk called "Bird Watching—Art or Science?" to be heard August 22 at 8 p.m. on CBR.

SCHUBERT SONATA

Hélmut Blume, pianist, will play Schubert's Sonata in A Major, August 19 in the "Sunday Morning Recital" series over CBR. A piano instructor at the McGill Conservatorium of Music, Mr. Blume is well known to listeners in Canada and the United States through his many CBC and concert appearances. He was born in Germany and has studied with Paul Hindemith and Louis Kratner.

ENDS SERIES

"Laska Kolossus" will conclude her series of four half-hour piano recitals on August 23 on CBR with

an all-Chopin program. She will be heard in the Variations Brillantes in B Flat (Op. 12), three Moctures and the Ballade in F Minor.

RADIO ACT ENTERS

The popular Rhythm Rangers, heard each Monday at 9 p.m. on CJOH, have entered several classes of the Western Music Round-up at the P.N.E. Competitors are working for over \$15,000 in prizes for square dance orchestras, quartets, single acts and barber-shop callers.

SEAFOOD MAMA!

Fish is essential to diet: good budget stretcher

For meals that appeal, the dish that's delectable is fish. Here in B.C. we have the opportunity of serving so many different kinds of seafood all year round. With the price of meat so very high, and fish being such an excellent source of protein and other food essentials in our diet, we cannot afford to neglect using it frequently.

The distinctive and appealing flavor of seafood, also, makes it a wonderful treat and change from meat in your menu.

Canned fish as well as fresh can be used to great advantage. Don't regard those cans of fish in your pantry shelf as just emergency food. Cans of tuna, salmon, crab and others have great possibilities for many good luncheon and dinner dishes.

Seafood can be served as an appetizer or as a main course. There is nothing quite as delicious as a crab, shrimp or mixed seafood cocktail to start a meal. Here is a recipe for a good, hot cocktail sauce.

Seafood Cocktail Sauce

1/2 cup catsup
1/2 teaspoon onion juice
2 tablespoons lemon juice
dash tabasco
1 teaspoon Worcestershire sauce
1 teaspoon prepared horseradish (optional)

Mix these ingredients together. Place small lettuce leaf in cocktail glass, then faked seafood. Add a spoonful of sauce and garnish with a slice of lemon and parsley sprig.

ring constantly. Cook three minutes, add seasonings and fold in chopped hard-cooked egg and parsley.

Devilled Crab

This is really wonderful, and if you can get the fresh crab, it is not too expensive.

1 cup flaked crab meat
1/2 teaspoon each salt and mustard
2 slices bacon, diced
1/4 teaspoon Worcestershire sauce
3 drops tabasco sauce
1 tablespoon chopped parsley
1/2 cup lemon juice
2 slices bacon
2 green onions
1/2 cup dried bread crumbs
1 cup milk
2 tablespoons chopped pimento
Cut bacon and onion into small bits and fry together. Add milk and bread crumbs; then crab and seasonings. Put some creamy mashed potato in ends of 3 well-scrubbed crab shells. Pile the crab mixture lightly in the centre. Top with buttered crumbs. Bake in a 400 degree oven until browned, about 15 minutes.

Salmon Loaf

This is a delicious, inexpensive, and so easy to make.

1 1/2 pound can salmon
1/2 cup soft bread crumbs
2 eggs, beaten
2 tablespoons melted butter
1 tablespoon minced parsley
2 tablespoons lemon juice
1 tablespoon dry mustard
1 tablespoon tomato catsup
1 tablespoon minced onion
Salt and pepper
Break up salmon and add bread crumbs. Beat eggs and add to mixture. Add the remaining and blend well. Place in a greased loaf pan and bake in a moderate oven, 350 degrees, for 40 minutes. Serve with egg sauce. Serves 4 to 6.

EGG SAUCE:

2 tablespoons butter or margarine
2 tablespoons flour
1 cup milk
1/4 teaspoon salt
pepper
1 hard-cooked egg
1 tablespoon chopped parsley
Melt butter, blend in flour until smooth. Add milk gradually, stir-

Tuna Fish Souffle

1 1/2 ounce can tuna
2 tablespoons finely chopped green pepper
1/2 cup lemon juice
2 tablespoons melted butter
1/2 cup cracker or bread crumbs
3 tablespoons chopped parsley
1 tablespoon minced onion
1 teaspoon salt
1/2 teaspoon paprika
2 slices bacon, diced
2 cups milk, scalded
Mix together salt, pepper, onion, parsley, paprika, and butter. Combine eggs and milk. Add gradually to spice mixture and blend well. Pour over tuna in a greased casserole dish. Sprinkle with bread or cracker crumbs, dot with butter. Set dish in a pan of hot water and bake in a 325 degree oven for 35 minutes, or until the souffle is firm. Serves 6.

Baked Stuffed Cod

1 medium sized cod
3 tablespoons butter
1/2 cup chopped onion
2 or 3 stalks celery
1/2 cup hot milk
2 tablespoons finely chopped parsley
2 1/2 to 3 cups bread crumbs
1 teaspoon salt
1/4 teaspoon pepper
1 egg, slightly beaten
Dice celery and onion and saute in butter until tender, but not brown. Add bread crumbs, parsley, milk and seasonings, and cook 4 to 5 minutes longer. Cool slightly and add beaten egg. Stuff fish with mixture; sew up or skewer. Place on well greased oven dish and bake for one hour at 325 degrees. Baste with 1/2 cup hot water to which has been added 3 tablespoons melted butter.

Pie-in-Blankets

(Oysters)

Salt oysters very lightly. Roll each in strip of bacon and skewer in place with a tooth pick. Grill or bake until oyster curls around the edges, and bacon is crisp. The oven should be hot, but oysters should not be too close to the direct heat. They may be sauteed instead, turning each so that the bacon is resting on the hot pan. Baste twice frequently when broiling, with hot fat from bacon.

Fish on Surfin'

2 cups cooked or canned fish
cooked rice
2 tablespoons milk
1 tablespoon parsley
1 egg
2 tablespoons butter
1/2 cup bread crumbs
graded onion, salt, pepper
Grease timbale molds, line with rice. Mix melted butter, bread crumbs, fish, beaten egg, milk and seasonings, then put into molds. Cover with rice and set in a pan of boiling water and bake in oven for 30 minutes at 350 degrees. Unmold on hot plate and serve with Creole sauce.

CREOLE SAUCE:

1/2 cup chopped onion
1/2 cup chopped green pepper
2 tablespoons salad oil
1/4 cups canned tomatoes
1 tablespoon sugar
1/4 teaspoon salt
1/4 teaspoon pepper
Boate onion and pepper in hot fat; add tomatoes, sugar and seasonings and cook slowly for 20 minutes.

Rhode Island Clam Chowder

2 tablespoons chopped onion
2 slices bacon, diced
1 cup diced raw potatoes
1 cup water
1 No. 2 can clams
salt and pepper
1 cup milk
2 tablespoons flour
1/4 cup tomato soup and 1/4 cup water, or 1 cup hot canned tomatoes
2 soda crackers
Partly cook onion and bacon, diced. Add potato and then water and liquid from clams. Cover and cook until potatoes are tender. Add milk and thicken with flour mixed to a paste with cold milk. Cook 2 or 3 minutes. Add clams that have been cut in 2 or 3 pieces, tomato soup or tomatoes, and crumbled soda crackers. Season to taste with salt and pepper.

August Baby Clinic times announced

Schedule of Surrey Public Health Service Baby Clinic for remainder of August is as follows:
August 17—Newton, Church Hall, 2 to 4 p.m.
August 21—Mission Hall, Forrest Road, 2 to 4 p.m.
August 22—Port Kells Community Hall, 2:30 to 3 p.m.
August 25—Latimer Heights Hall, 2:30 to 3 p.m.
August 28—Simon Cunningham School, 2:30 to 4 p.m.
August 29—White Rock, Presbyterian Church Hall, 2 to 4 p.m.
August 29—Kennedy Hall, Scott Road, 2 to 3 p.m.
August 31—White Rock, Legion Hall, Johnston Road, 2 to 4 p.m.

PUTS TEETH IN CLOTHES PINS

Winds may blow but clothes won't fall when a new plastic clothes pin is used on wash day. It is claimed, The clothes pin is four inches long and has three sharp teeth to grasp clothes and line, reports The Financial Post.

Shape Your Own

By compressing sides of new pliable kitchen bowl, a dripless pouring spout can be formed, claims maker in The Financial Post. Made of flexible bakelite polyethylene, bowl has many uses, acting as container for mixing, stirring and covering foods for salads, frozen desserts, etc.

Bet You Don't Know This About Advertising

Quiz No. 8

How much does it cost to advertise a loaf of bread?

Are they spending 2¢? 3¢? 5¢? Or more?

Answer: It costs less than it's wrapper to advertise the big-name brands of bread.

That's only half the story. Advertising lowers your cost two ways:

Cuts the selling costs. And by helping men's mass production possible, lowers the production costs, too.

So advertising saves you many times the cost of that wrapper.

In The Garden

By G. E. SERY

Garden Pests in the Vegetable Garden

The gardener who would have everything thrive and prosper must exercise the greatest vigilance during August. Apart from the necessity of cropping and removing such as have ceased to become profitable, his attention is drawn towards the multitudes of garden pests which exhibit their effects at this time of the year more than any other.

Insects are the chief enemies of the vegetable garden. There are few diseases that attack vegetables and these are usually kept in check by an abundance of sunshine and keeping the leaves dry. It is not to apply water directly to the soil.

D.D.T. EFFECTIVE

The former distinction between insects which drink plant juices, and those that eat leaves has been minimized by D.D.T., which kills many insects of both kinds. It is especially effective against leaf hoppers which are juice drinkers, and hard to kill with contact poisons. D.D.T. residue on leaves kills these when they walk over the leaves. It kills worms, beetles and many forms of aphids.

If D.D.T. is used heavily on cucumbers, melons, and squash, there is some danger that plants will be stunted, though many commercial growers find this injury is slight when normal amounts of D.D.T. do not exceed 3 per cent strength are used.

The injury is not due to D.D.T., but to impurities in its commercial form. A refined form of D.D.T. without these impurities is manufactured, but is not obtainable in commercial preparations.

DUST ON GROUND

For protecting these plants ordinary D.D.T. can be dusted on the ground where the squash vine emerges to control the squash borer, or beneath young melon and cucumber plants. It is not as effective against cucumber beetles, then a mixture of one part calcium arsenate to 10 of the pyrethrum gives excellent results.

Caterpillars should be looked for, and destroyed as quickly as they can be discovered—at least before they fatten on the produce of the garden, which they will do to the deterioration of the crops in a very short time, if not prevented.

Savoy and cabbages ridden by caterpillars are at once unpleasant to the eye and suggestive of neglect. A 3 to 5 per cent D.D.T. dust is most effective against these while the plants are in the early stages of growth.

After the heads start to form it is best to use a 0.5 per cent rotenone dust instead of D.D.T., because the latter is poisonous and the rotenone is not. In the small home garden it may prove easier to deal with rotenone from the beginning.

WASH VEGETABLES

There is no evidence that D.D.T. used on garden plants is absorbed by their tissues. It does leave a surface residue, which should be carefully washed off, if the edible parts of plants have been sprayed or dusted within a month prior to harvest.

D.D.T. in the form of dust, or as a wet-table powder, which is mixed with water for spraying, offers no danger to the user. But residues which might remain on the edible parts of vegetables when they are harvested should be removed.

The precautions are almost exactly the same as those required when an arsenic insecticide is used.

It is better not to use D.D.T. on leaf crops, such as lettuce, endive, collards, spinach, New Zealand spinach, Swiss chard and mustard greens, but asparagus seldom spray or dust them anyway. They should be washed carefully, as should all other vegetables, before using, whether sprayed or not.

ROOT CROPS SAFE

All root crops may be sprayed or dusted without precautions, since the edible parts are underground and cannot harbor any D.D.T. residue. But if the tops of beets and turnips are to be eaten, then use the same precaution with them as with other greens.

Beans may be dusted or sprayed with D.D.T. until the pods set, without precautions. Where leaf hoppers are prevalent, D.D.T. does the best job of killing them. If D.D.T. or arsenic should be used after the pods set, wash the pods. Tomatoes, egg plants, and peppers may be sprayed or dusted, and the residue can be washed or wiped off the fruit's skin.

No special precautions are required when using D.D.T. on flowers, shrubs and trees.

CLUBBING
The effects of the club become apparent in hot sunny days; club leaves, etc., hang down and turn blue, and often become infested with aphids. This disease is, per-

haps, the most vexatious with which the gardener has to deal. How far it may be prevented by the use of wood ashes, etc., is a matter of doubt.

The most prominent causes of clubbing seem to be firstly, an injudicious application of manure in small gardens that are already too manured—the most prevalent cause; and secondly, the exhausted state of the soil, arising from the too unvaried use to which it is put, either of these circumstances tending to foster the insect to whose work the clubbing itself is certainly due.

The plants that are subject to the disease are strong feeders, and exhaust the soil very much, and it is reasonable to suppose they leave food suitable for other pests.

WEEDS RESTORE GROUND

Instances have been of ground being left to weeds for several years, when, although cabbages clubbed badly before, they did not after the rest from cultivation that it had experienced; the ground showing a fertility that would justify anyone in believing that weeds have a wonderful faculty for restoring ground that has been exhausted by kitchen crops.

This fact is one of the many instances showing the necessity of observing the Law of the Sabbath of the Land. Rotation of crops is a very necessary operation for successful crops, and should be applied more generally, but even this is not sufficient to protect insect pests and diseases of plants.

Local home building

takes big slump

Survey building permits for July slumped almost 26 per cent below the same month last year with 156 permits issued for \$276,507, compared with 229 permits issued in July, 1949 for \$450,762. Municipal Building Inspector F. Leslie Smith announces.

Total for seven months this year is \$1,555,794, against \$2,813,283 for the same period last year.

Last month's permits were for small buildings, garages, and a few houses.

As early as 190 B.C. India had a law providing a fine for adulteration of food.

Nothing is so satisfying to a wife as to see a double chin on her husband's old flame.

FACTS ABOUT

ADVERTISING

The eighth in a Series of Articles explaining the Function of Advertising in our Society.

Our national sense of humor permits us to poke fun at anything, even at our most highly regarded institutions. We love wisecracks at the expense of our best friends. We laugh out loud when George Bernard Shaw tells us that we are bores. We get a kick out of reading humorous magazines, which make fun of certain types of advertising, although we know that advertising performs an indispensable service. It is all good-natured.

But it is different when critics get serious. We object to accusations based on ignorance or prejudice. Most of us would resent being told that we are silly for being influenced by advertising. We know that this same influence has led us to the enjoyment of many things which make life better.

One objection often made by such critics is that advertising makes people buy things they don't need. As if advertising could possibly force anyone to buy! Anyway, who is competent to judge what people need? Perhaps an occasional high-pressure salesman has wheedled you into buying something you don't want, but advertising simply cannot use high-pressure methods.

All it can possibly do is to lay before you information about a product. You can take it or leave it. There is no comeback. Advertising is the perfect low-pressure salesman.

Advertising is sometimes condemned because a dishonest vendor occasionally misuses it. It would be just as logical to condemn all grocery stores because a crook on some side street once sold you a bad egg. By its very nature, advertising is always open to inspection. One of the best reasons why it is usually kept clean is that it is not subject to approval by the public in order to be profitable.

If you should run across some advertisement which does not seem to be in good taste, it is up to you to discourage that sort of thing by refusing to buy that particular advertised product. Just watch how quickly the advertiser changes his tactics the moment he learns that the public does not like his advertising.

Another charge which has been levelled at advertising is that it is wasteful because it is competitive. Of course it is competitive; nearly all business is. We have learned that competition in business is responsible for most improvements in products and service. Practically all selling is competitive, and advertising is the chief part of competition in selling. It costs much less for an automobile manufacturer to tell you about his car through advertising than to have a salesman call at your home.

including the kitchen, open into one central hall. This arrangement eliminates the need of passing through one room before entering another. The Casey's modern kitchen is arranged in an efficient U-shape. There is a large well-lighted dining area at one end of the room.

The Casey has a full basement. Its exterior walls are of frame construction with siding. The roof is covered with asphalt shingles. Dimensions of The Casey are 26 feet by 27 feet with a 4 foot front projection.

The house has an area of 1,625 square feet and a volume of 30,645 cubic feet.

THE SEMIAHMOO RUN presents its home plans feature for interest and information value only and cannot supply plans or specifications. Home builders are advised to consult with a local architect or write the Small House Planning Bureau, St. Cloud, Minn. for further information about THE CASEY.

Nitrogen essential
for virgin soils

Each year across Canada hundreds of acres of virgin soil are prepared to bear harvest. Marginal land is cleared of brush and trees, swamps are drained and forests cut back.

Many farmers, however, are often disappointed by the poor crops or total crop failure after the first plowing. Likely reason for this is the lack of nitrogen in the newly-cleared soil.

To explanation, they state that the nitrogen in the soil is "tied up" in the decomposition of the materials plowed under. The addition of fertilizer high in nitrogen plus good soil management will usually result in a good yield on virgin soil.

Since nitrogen requirements vary with each crop, a soil analysis should first be made and recommendations followed closely.

Family Allowance
officials want
address changes

Recipients of Family Allowances are reminded that when moving from the address at which they are receiving their cheques it is necessary to notify the Regional Office in Victoria. The filing of a change of address slip with the postal office is not sufficient to ensure prompt delivery of the cheques.

"Each month large numbers of cheques are returned by postal authorities through failure of the payees to keep the Department advised of their movements," says W. R. Bone, regional director. "It must be remembered that the post office change of address notification expires after three months and after the lapse of that period mail is not forwarded."

In an effort to facilitate this action the Department has devised and is testing in British Columbia a postcard form for change of address. This is now available at all post offices. In addition, twice a year a change of address slip is enclosed with the cheque.

It is indicated that there is still a considerable movement of families within the province; for as many as 4,000 change of address notifications are received in a month.

Church Bazaar in success say officials

The Holy Trinity Church annual Bazaar, held at the Old Masonic Hall, Tuesday, August 8, proved to be very successful and enjoyable from official reports of the affair. Rev. Pitt Griffiths opened the bazaar and Mrs. Pitt Griffiths presided with a lovely bouquet presented by Mrs. Bowen. A beautiful corage donated by Mrs. Bowen was presented by the president of the auxiliary. Ladies in charge of the different stalls were:

Sewing Stall: Mrs. Houghton, Mrs. Asplin and Mrs. Bligh; Home Cooking Stall: Mrs. Cox, Mrs. Sery, Mrs. H. Weston, and Mrs. Silwell; Candy Stall was in charge of the Evening Branch under the chairmanship of Mrs. M. Towne; Mystery Stall: Mrs. Grand and Mrs. Ash; Variety Stall: Mrs. Whyte; Vegetables and Flowers: Mrs. Phillips and Mrs. Crick.

Door prize under the able chairmanship of Mrs. Moore, was won by Ticket Holder 45, but he was not on hand to claim the prize. He is requested to call at Mr. Amos' store for the prize.

Mrs. Read had around the cake for the guessing competition, and Mrs. A. Westland kindly donated the cake. Mrs. Parkinson was the winner of the contest.

The clothing stall was under the supervision of Mrs. Pearson and Mrs. Carmichael.

Mrs. Hassall arranged the flowers used for decorating the hall.

Mrs. O. Goodman, with her able assistants, Mrs. Morden, Mrs. A.

Meen and Mrs. Jones, Mrs. H. Shepherd and Mrs. Spaven, was in charge of the tea. Mrs. Cooper and Mrs. Terrell waited on tables.

VISITS — Clare Grant, well known Vancouver painter, is visiting with Mrs. G. Clifford of Victoria Avenue.

SUNNY SOUTH — Off on a two-week trip to San Francisco, Hollywood and Los Angeles, are Mr. and Mrs. William Spitt, Miss Isabel Spitt and Garry, Maple St. Avell Shop will be managed by Mrs. Spitt's niece, Mrs. R. M. Day, recently arrived from Jamaica with her daughter Valerie.

THIRD GENERATION — Mr. and Mrs. A. Laylor, Marine Drive, have as their guests, their granddaughter and her husband and young great grandson, from Terrace, B.C.

LIFE SAVERS IN SHOW SUNDAY

The Royal Life Saving Society will stage a demonstration at White Rock on Sunday, August 20, commencing at 3 p.m.

The show will include various ways of releasing oneself from a drowning person's grasp, how to tow a person to shore, things to do in case of boat accidents, artificial respiration, throwing devices, various swimming strokes, synchronized swimming in a water ballet, both fancy and comic diving as well as come water skills.

Subways are partially ventilated by the piston action of trains driving the air through the tubes.

Revenuers lose playoff games to Chilliwack 5-8; 2-3

White Rock Revenuers were knocked out of the Fraser Valley Senior "B" playoffs by Chilliwack's Pickards in two games played at Cloverdale last weekend.

Revenuers dropped the first game Saturday 5-8 after leading for seven and one-half innings. Pitcher Dennis Churchill blew in the last half of the eighth to give up two runs to Chilliwack.

Revenuers rallied in the ninth with two runs but it was too little and too late.

In the third inning Mike Pasternak hit and later scored on a hit by Dick Polzer. John Brown scored Polzer to put Revenuers ahead 2-0. Chilliwack got a run in the fourth.

John Brown and Lennie Callahan both singled in the fifth and Brown scored on a double by catcher Mary Wahl. Pickards tied it all up in the sixth when they

Pat Graham wins treasure prize

Winner of six treasure chest buried on White Rock beach by local Oddfellows is Pat Graham, 712 Victoria Ave., Chest was found by nine-year-old Frankie Larende, Vancouver, who is visiting his grandmother, Mrs. T. Weston, 713 Victoria.

Miss Graham received a silver serving tray donated by Woodwards Ltd., Vancouver. Young Frank receives a merchandise certificate from Ames Dry Goods, White Rock, Miss Graham held hidden number 2644.

This week's prize was found by Dean Wallace, age 13 years, who lives at 837 Victoria. He received an auto spotlight donated by White Rock Motors.

Hidden number in the chest was No. 548 and the owner may claim his prize by presenting the corresponding certificate at Treasure Hunt headquarters in the Semiahmoo Sun office.

Contest officials request that holders of books of certificates bring the unsold ones to headquarters any morning between 10:30 o'clock and noon.

Cues for this coming weekend's treasure will be posted in the headquarters window Saturday morning.

Local bowlers in club playoffs

Unsurpassed summer days and eventual keen competitions made the past week's bowling on Semiahmoo Green enjoyable for local bowlers.

Many of the handicap singles were played off. Mr. Hargrave defeated Mr. Allen by a score of 23 to 11; Mr. F. Nelson 21, Mr. Hargrave 19; Mr. Roy 21, Steel 15; Cro 21, Mr. A. Greenwood 8; Mr. Harris 22 and Mr. Stewart 20.

In the club's Mixed Triples, the Pirie rink won against Steel, 19 to 13, also the Buzzin' rink won over the Collins rink 14 to 12. These contests brought the Buzzin' and Pirie rinks into the finals for the club championships.

This game proved to be most exciting and at the 19th end, the game was tied 16 to 16. In the last two ends, the Pirie rink, Mr. MacDougal and Mrs. Haddell drew ahead of Mr. Pirie, Mr. Palmore and Mrs. Calletchak to win the championship by three points.

In the Magpie and Jiggs match, Mr. and Mrs. Holmes defeated Mr. and Mrs. R. Greenwood by a score of 19 to 13.

At Key with the help of Mrs. Stewart, Mrs. Nelson and Mrs. Ray, won the prize for the highest score in the Wednesday games.

The Abbotsford Young Club played five of the local rinks last Sunday and lost by a score of 118 to 60. The afternoon was made for the bowlers with the ladies providing lunch after the games.

The White Rock Bowling Club adds their congratulations to Mr. F. Jure, formerly Mrs. Wood, who was married a few weeks ago. Mrs. Jure has been a faithful member of the Semiahmoo Bowling Green for some time.

Bowling Club regrets to report the illness of one of their most appreciated members, Mr. J. Hargrave, of Morriston Street, and wish best wishes for a speedy recovery to extend their sympathy coverly to him.

HORTICULTURAL SHOW TODAY

Annual show of White Rock and District Horticultural Society is being held today in White Rock School Annex. Visitors and residents are invited to see the display.

WRASA SPLASHES

About fifteen youngsters pass swimming tests at tank

In the second Inter-Beach Gala of the Season, the Crescent Beach Swimming Club was again victorious, scoring a decisive victory over the Bandway Bay Swimming Club and the W.R.A.S.A.

To the disappointment of the local club, the two coveted Relay cups were won by Crescent Beach. The White Rock Winter Works Trophy was won by Violet Corner of Crescent.

HOT FOR FEW

With more than 200 children receiving daily lessons in swimming and diving it would be hard to imagine the White Rock Winter Works Trophy was won by Violet Corner of Crescent.

HOPE FOR FEW

With more than 200 children receiving daily lessons in swimming and diving it would be hard to imagine the White Rock Winter Works Trophy was won by Violet Corner of Crescent.

P.T.A. PLANS CORN ROAST ON BEACH

A corn roast is planned by White Rock Parent-Teachers' Association for Wednesday of next week. The event will be held on White Rock beach back of the Beach Store.

Corn, coffee and soft drinks will be provided by the committee. Visiting members are invited to attend.

NOTICE

The White Rock Players wish to thank those merchants who so kindly donated advertising space for the production of "Arsenic and Old Lace."

BOB HUNTER SEEKS PERSONS INTERESTED IN FORMING WHITE ROCK BOAT CLUB

If you are a power boat or sailing enthusiast, like to crew or build boats, then Bob Hunter is anxious to meet you. Bob, a recent boat-owner himself, is all backed up on the idea of forming a boat club here in White Rock. Owners of stink pots as well as true sailing men will be welcome in the club says Bob, who already has visions of a boat house and small shipway on the shores of breezy Semiahmoo.

Persons interested in Bob's idea are asked to contact him at the Semiahmoo Cabin, or telephone W.R. 2281.

New parks instructions go to local caretakers

At the last Park Board Meeting, held at Municipal Hall, Cloverdale, August 2, the following instructions were issued to all caretakers of Surrey Parks:

- No. 1—All dogs are prohibited except those kept on leash.
- No. 2—Cars and bicycles must not exceed 10 miles per hour in the park, and park only in areas set aside for that purpose.
- No. 3—Survey traffic by-laws place regulation of traffic in parks under the Parks Board.
- No. 4—Survey Fire Arms By-law prohibits the use of fire arms in all parks and playgrounds.
- No. 5—To place the notice in a prominent place and record if you have had to warn a violator.
- No. 6—Information should include license number, name of driver, and any witnesses with date and time.
- No. 7—Record of any misconduct and wilful damage to park property should be kept.
- No. 8—Parking is prohibited within or upon any Public Park or Recreation Ground or any road therein except with the consent of the Board of Park Commissioners for Surrey.
- No. 9—The Board will use their discretion in the prosecution of offenders.

These By-laws were made necessary by the great trouble with dogs in all the parks and with cars running over and parking on ball fields.

I would like to get any objections from our residents so that I can protest the proposed change over to the Athletic Association of the lease of the Ball Park at Semiahmoo Park like that at Whalley.

White Rock Park Commissioner, J. JAMESON.
